People in the past didn't go to the beach very often. My grandfather still remembers his first day there. It was in 1950 and he was only six years old. His parents didn't have a car so they went there by train. They arrived in a beach near Brighton. It was a beautiful sunny day. My grandfather was very excited. He didn't know how to swim and he didn't have a swimsuit, but he wanted to go into the sea. So he played in the water with his clothes on. The beach had lots of sand and chips. They stayed on the beach all day and went home in the evening. My grandfather was very tired but he was happy.

## The Man by the Lake

Last week, I went camping with my friends, Liam, Ali and Ali. We went to Mount Harney for the weekend. We were having a great time so we stayed for a week. However, on the last day, a strange thing happened. We were walking down the mountain when we saw a terrible lake. We all decided to spend the night there, so we put up our tents. In the evening, we felt very tired so we ate and went to bed early. However, after a while I heard a man talking. I got out of my tent and saw a young man sitting by the lake when he saw me, he ran into the water. I asked my friends to go and we all jumped into the water to look for him, but he wasn't there. The next morning, we were getting ready to move when I found the man taking a bath. He was sitting by the lake. He was a good man. But my friends thought I was playing a joke on them.
